

HEALTH CHECK- UP CAMP REPORT

Event: Health Check- up Camp

Date: 17th and 18th October 2023

Venue: Medical Room, Block B- Ground Floor

Time: 10:30 am to 1:30 pm

Participating Classes: Grade Nursery - Grade 5

Event Highlights:

Health check-ups for school students are essential for monitoring their overall well-being and identifying any potential health issues. Early detection of any health issue is crucial for timely intervention. Health check- up camp was organized in collaboration with **SRS Multi Speciality Hospital**, Sector 70, Noida for our students of Nursery to Grade 5.

The check- up included:

- **Physical Examination by Dr. Pankaj (General Physician)**
- **Vision Tests by Dr. Rajat Maheshwari (Eye Specialist)**
- **Dental Check-up by Dr. Vivek Rajput (Dental Surgeon)**

The aim and purpose of this camp was to raise health awareness among the students and to highlight the importance of regular monitoring of health.

The necessary arrangements for seating were made in the Medical Room to accommodate the doctor's team. The respective Class teachers accompanied their students to the Medical Room during the allocated time slots to ensure the smooth execution of the program. The dedicated team of doctors and nurses examined the students and wrote prescriptions, which were handed over to the parents later.
