Zero Tolerance Policy Against Substance Abuse

Dear Parents,

The safety, well-being, and holistic development of our students remain our highest priority. In view of the growing concerns regarding substance abuse among school-going children and adolescents, the school wishes to reiterate its **Zero Tolerance Policy** towards the possession, consumption, distribution, or promotion of any kind of intoxicating or prohibited substances within the school premises or during any school-related activity.

Students are strictly prohibited from carrying or using substances such as tobacco products, e-cigarettes/vapes, alcohol, drugs, or any other harmful/intoxicating substances. Any violation of this policy will be treated as a serious disciplinary matter and may result in strict action as per school rules and applicable laws. In addition, a **FINE** shall be imposed in all cases of violation, without exception.

We request parents to kindly:

- Remain vigilant about their child's activities and peer interactions.
- Educate children about the harmful effects of substance abuse.
- Encourage open communication and responsible behaviour.
- Inform the school immediately if they observe any concerning behaviour or require counselling support.

The school is committed to creating a safe, healthy, and disciplined environment for all students. We seek your wholehearted cooperation in reinforcing these values and ensuring that our children grow into responsible and aware individuals.

Warm Regards

Priyanca Ghosh

Principal
