

Circular No: 62/2026-27

Date: 10th July, 2026

CIRCULAR FOR PARENTS OF GRADE IX

Subject: Option to select Advanced Mathematics and/or Advanced Science – Class IX

Dear Parents,

In compliance with **CBSE Circular No. Acad-14/2026 dated 01 April 2026**, the school is introducing **two levels** of learning and assessment in Mathematics and Science for students of **Class IX** :

- **Standard Level** – Compulsory for all students
- **Advanced Level** – Optional

The Advanced Level is offered **in addition to** the compulsory Standard syllabus. Students opting for the Advanced Level will study the complete Standard curriculum along with the prescribed Advanced content.

Particulars	Standard Level	Advanced level
Nature	Compulsory for All	Optional
Instructional Time	Regular school timetable	Additional instructional sessions
Syllabus	CBSE prescribed standard syllabus	CBSE prescribed standard syllabus and Additional CBSE Advanced modules
Examination Pattern	80 Marks 3 Hours	80 Marks 3 Hours and 25 Marks 1Hour
CBSE Boards Class X (Session 2027–28)	Boards Assessment: 80 Marks Internal Assessment: 20 Marks	Boards Assessment: 80 Marks Internal Assessment: 20 Marks Additional Assessment: 25 Marks
Questions	Standard competency-based	Higher Order Thinking Skills (HOTS)
Impact on Percentage	Marks will be added in the overall score	Marks obtained in the additional assessment will not be added in the overall score

The option selected in **Class IX (Session 2026–27)** will carry forward to **Class X (Session 2027–28)**, where students opting for the Advanced Level will appear for the **corresponding CBSE Board Examination**. Candidates who secure 50% or above in the optional Advanced Examination will have a remark recorded in their marksheets stating that “*The Advanced Level has been successfully cleared.*”

Students may choose any one of the following options:

- Standard Mathematics **and** Standard Science (*No Advanced Subject*)
- Advanced Mathematics **and** Standard Science (*Only One Advanced Subject*)
- Advanced Science **and** Advanced Mathematics (*Only One Advanced Subject*)
- Advanced Mathematics **and** Advanced Science (*Both Advanced Subject*)

Parents are requested to carefully discuss the available option with their ward and submit the consent form to the Class Teacher by **14th July, 2026**. We look forward to supporting every learner in pursuing academic excellence according to their interests and aspirations.

Warm Regards,

Priyanca Ghosh
Principal
Raghav Global School

Consent Form: Advanced Mathematics and/or Advanced Science (Class IX – Session 2026–27)

Student Name: _____ Class & Section: _____ Admission No.: _____

I/We, the parent(s)/guardian(s) of the above-mentioned student, have understood the CBSE guidelines regarding the introduction of the Advanced Level in Mathematics and Science and hereby choose the following option for my/our ward:

- ☐ No Advanced Subject
- ☐ Advanced Mathematics only
- ☐ Advanced Science only
- ☐ Advanced Mathematics and Advanced Science

I/We understand that:

- The Advanced programme involves additional learning modules, extra instructional sessions and assessment.
- Marks obtained in the Advanced examination will not be added to the overall aggregate, as per CBSE guidelines.
