Educational Trip – O.P. Jindal University
Grade 12

Dear Parents,
Greetings!

Raghav Global School aspires to prepare its students for life. The senior secondary years allow the students to empower themselves by pursuing subjects of their choice. Post the Public/ Board exam students move into the unchartered territory of colleges and universities. The multiplicity of the spectrum of courses offered at the college level can often baffle the young minds.

To assist our students in allowing them to discover their potential and understand the variety of the new age offered by Universities, we are organizing an educational trip to O.P.Jindal University on Thursday, 24th August, 2023.

The students will reach school and will start for the Educational Trip at 8.05 am. It is anticipated that we would reach the University at around 10.30 am. Following a little snack the students will be given a tour of the University. The students will then interact with the faculty members of various departments to get an understanding of the courses offered at the University. At around 1.30pm students will be offered lunch and we shall start for Noida at 2.00pm.

Students undertaking this expedition will be required to take a notebook/diary, a pen and a water bottle. Students will also need to make a payment of INR150 for the snack arrangement on the way. We would request the parents of the interested students to fill in the Consent Form attached with this communication.

Best Regards
