Dear Parent

Greetings from the RGS family!

Given the present COVID 19 pandemic situation and the medical conditions of the extended RGS family, we have decided on an early summer break for our students. The Summer Vacation for the students of Nursery to Grade 8 will begin from Thursday, 6 May till 13 June 2021. The virtual school will re-open on Monday, 14 June 2021 for the students.

These testing times need to be overcome and what best than to engage the students in some positive thoughts and activities. The School has ensured that all aspects, whether Academic or Non-Academic, are taken care of properly and learning is made joyful. The summer holiday HW has also been planned keeping in mind that the happy learning adventures do not stop at any step.

Besides, there will be a virtual PTM held before the commencement of the summer vacation and the time slots for the same shall be shared by respective class teachers. As an educational institute, we understand the need of the hour. Families have been struggling to overcome medical concerns and still the students have not given up on learning, however, classes have been missed by a few. To bridge these gaps, we will be starting with Remedial classes for all. The schedule shall be shared shortly via Radical. These will be practice sessions wherein doubts will be cleared, concepts missed for any reason will be covered and teachers will provide support as and when needed. We urge you to make the best of this opportunity.

In case of any concern, feel free to send us an email or call us at the school reception. Important information pertaining to class and section will also be shared on WhatsApp groups.

With prayers and strength that we all emerge stronger and healthier, here's wishing you all Happy Holidays.

Regards
RGS Family
