**Magic Show  
Pre Nur - 8**

Dear Parents/Guardians,

Greetings!

We are thrilled to announce that our school, in collaboration with the esteemed **Red Cross Society**, is organizing an engaging and educational magic show for our students of grades Pre Nur – 8, on **Friday, November 10, 2023** during school hours. This show not only aims to entertain and engage our students but also to instil in them the importance of giving back to society.

At the heart of this event is the fundamental principle of contributing to the well-being of our communities. By exposing our students to the captivating art of magic, intertwined with valuable messages from the Red Cross Society, we seek to nurture a sense of responsibility and empathy within our students. It is crucial for them to understand the significance of supporting and helping those in need, and how even small acts of kindness can make a substantial impact on the lives of others.

The magic show, designed to be both entertaining and educational, will serve as a platform to convey the message of compassion, generosity, and social responsibility. By collaborating with the Red Cross Society, we aim to impart to our students the importance of selfless service and the power of collective action in building a stronger, more compassionate community.

**You are requested to send Rs.50/- to the class teacher of your ward by Wednesday, November 8, 2023.** We sincerely hope that you will encourage your children to participate in this event and take away valuable lessons on the significance of giving back to society.

Thank you for your continuous support in fostering a sense of social consciousness and responsibility among our students.

Warm regards  
Team RGS

**HAPPY LEARNING ADVENTURES**

**RAGHAV GLOBAL SCHOOL, SS-1, Sector - 122, Noida, UP-201316**
