

**RGS/017/2021-22
05 MAY 2021**

Dear Parent,
Warm greetings,

Amid the unforeseen surge of Covid-19 and the adverse environment all around us, we all need time to think, reflect and rejuvenate for a better and brighter future. Tomorrow has to be beautiful!

Unfortunately, because of the ongoing circumstances, we have been and are still working in an alien environment. Given the present pandemic situation and the medical condition of the extended RGS family, the school has decided to begin the summer vacation for Grade 9 to 12 from **6th May till 31th May 2021**. The School will reopen on **1st June 2021**.

Certainly, the students need to relax and destress themselves from the chaotic environment. With a blend of self-grooming and discipline, a zone of ease and comfort is of utmost importance for the betterment of the students. On the same note, some basic vacation tasks have been planned to keep students constructively occupied. The same shall be shared on 7th May 2021. This would call for the support of the parents who have been working in sync with the mentors through thick and thin.

During the summer break, there will be the provision of extra/remedial classes for the students. In case of such an arrangement, the students will be informed a day prior so that maximum attendance is attained. If any student wants to have a doubt clearances session for a particular subject, he/she can connect with the teacher on call or WhatsApp according to the schedule given in **Annexure 1**.

In case of any concern, feel free to send us an email or call us at the school reception. Important information pertaining to class and section will also be shared on WhatsApp groups. **(Annexure 2)**
