**POSTAL DAY ACTIVITY  
Grade 3 to 12**

***"Letter Writing is the only device for combining solitude with good company."***

Dear Parent,

On this Postal Day, we encourage our students to write an open letter or postcard to any of the teachers or their peers in the school. In this era of WhatsApp or Instagram, we have forgotten the value and fun of writing a letter. Students can post their letters/postcards from 7<sup>th</sup> October 2022 till 13<sup>th</sup> October 2022 in the Post Box installed in the School campus. These letters will be dispatched to the concerned person on 14<sup>th</sup> October.

**Note:** Use A4 size sheet (any color), put the letter in an envelope, and write the name of the recipient on the envelope.
