**SWACHHTA MONTH  
GRADES 6-12**

Dear Students and Parents,

We are excited to announce our **Clean Classroom Competition** aimed at fostering a clean and organized learning environment! This initiative encourages students to take pride in their classrooms and develop habits that contribute to a healthier school community.

Swachhta Month is a dedicated period focused on promoting cleanliness, hygiene, and environmental awareness within schools and communities. This initiative encourages participants to engage in activities that foster a cleaner and healthier environment. The objective is to promote cleanliness, hygiene, and responsibility among students by encouraging them to maintain a clean and organized classroom environment.

**Details of the event:**

- **Eligibility:** Students of grades 6-12
- **Duration:** The competition runs for one month (1<sup>st</sup> to 31<sup>st</sup> October), with weekly assessments.
- **Criteria for Judging:** Cleanliness of desks and floors, organization of materials and supplies, proper waste segregation and recycling practices, overall classroom environment (decorations, plants, etc.)
- **Judging Schedule:** A panel of Eco Club Teachers to conduct weekly assessments of each classroom.
- **Winners:** Announcement of the "Cleanest Classroom of the Week" in the school assembly
- **Grand Prize:** At the end of the month, the overall winning classroom receives a prize (green star)

**Timeline of the event:**

- Week 1: Introduction and classroom preparations
- Weeks 2-4: Weekly assessments and feedback
- End of Month: Closing assembly and awards ceremony

Swachhta Month is an excellent opportunity for us to come together and take concrete steps toward a cleaner, healthier future. Let's embrace this initiative and make a positive impact!

Thank you for your participation!

Warm Regards

Meghna Chand  
(Principal)

**HAPPY LEARNING ADVENTURES**
