**Circular on Jal Pakhwada Activities (Water Conservation Awareness)**

Subject: Conduct of Creative Competitions under Jal Pakhwada 2026

Dear Parents, Students, and Teachers,

This is to inform all students, teachers, and parents that in continuation of the CBSE initiative (Circular No. Acad-22/2026), the school is observing Jal Pakhwada on 30th April 2026 to promote awareness about water conservation and sustainable practices. As part of the "Jal Shakti Abhiyan: Catch the Rain" campaign, the school is organizing creative competitions to encourage students' participation and to spread awareness about the importance of conserving water resources.

The class-wise activities are as follows:

- Classes III–V: Slogan Writing (on Water Conservation)
- Classes VI–VIII: Poster Making (on Water Conservation)
- Classes IX–XII: Essay Writing (on Water Conservation and Sustainable Practices)

Students are encouraged to participate enthusiastically and express their ideas creatively. These activities aim to develop awareness, responsibility, and a sense of environmental stewardship among learners.

Teachers are requested to guide and motivate students for active participation. Selected entries will be displayed to further promote awareness within the school community.

Let us all join hands to conserve water and contribute towards building a sustainable future.

Regards

Principal

**HAPPY LEARNING ADVENTURES**
