CIRCULAR FOR PARENTS OF GRADE X (Session 2025–2026)

Subject: Commencement of New Academic Session 2026–2027 for Class XI

Dear Parents/Guardians,

Greetings from Raghav Global School!

This is to inform you that the New Academic Session 2026–2027 for students of Class XI will commence on Thursday, 9th April 2026. Students are required to report to school as per the regular school timings. The initial phase of the session will focus on academic orientation, revision, goal setting, and preparation for the upcoming curriculum.

Parents are requested to ensure that their wards attend school punctually from the very first day, as Class XI is a crucial academic year.

To ensure a smooth and organized dispersal process, students have been categorized as follows:

- Self-Walkers: Students will exit through Gate No. 2 (Pedestrian Gate) at 2:05 PM.
- Bus Users: School buses will depart from Gate No. 2 at 2:15 PM.

Further, please note that students will be granted provisional admission based on the examination criteria shared by the school (Ref: Circular No. RGS/2025-26/143 dated 22-01-2026).

Parents are advised not to purchase books until the Grade X results are declared and the stream allocation is finalized.

The final stream allocation will be based on the marks obtained in the final examination. We look forward to your continued cooperation and support.

Regards

Principal
