Grade 3-12
Hindustan Times Subscriptions

Dear Parent,

“Reading is to the mind what exercise is to the body” - Joseph Addison.

Newspaper is an excellent medium to inculcate a good habit of reading and develop an understanding of how economic, political and social world is evolving. Our school has collaborated with Hindustan Times wherein students will receive student edition of the newspaper and get various opportunities to attend educational excursions, workshops and seminars.

To start with, we have a Movie show in April (date will soon be announced). You are requested to pay 375/- for annual subscription to Class teacher by Monday, 25th April, 2022.
