

**EARTH DAY ACTIVITY**

RGS/008/2021-22

14 APRIL, 2021

**“Time spent amongst trees is never time wasted.”**

Dear Parent

Trees are called best friends. Let us plant more trees, enjoy their company and above all make Earth a green Planet.

EARTH DAY- 22 April 2021 (Thursday)

GRADE	ACTIVITY
NUR- 2	Plant a sapling/tree, give it a name, paste the name on it, click a picture with your ward and share with us. You may further make a file with pictures of how your plant grows in this one year. “My Plant, My Love”
Grade 3-5	Plant a sapling/tree, give it a name, and tell us why you have chosen this name for the plant. Make a 40-50 sec video and send. The aim of this video is to spread awareness about the importance of trees in our life. “Go Green, Stay Safe”
Grade 6-9	‘SAY NO CAMPAIGN’- Make a video of taking the pledge where you say ‘No’ to something which could be hazardous for our Mother Earth. For e.g. Say No To Balloons.... I would not use plastic balloons to decorate; I would rather prefer paper buntings and other alternative material to decorate.

Send the entries to your respective Google class room

Last date - 19 April, 2021 Monday

Regards  
Team RGS !

**HAPPY LEARNING ADVENTURES**
