**Postponed of Scheduled Test
Grades 10 & 12**

Dear Parent

Greetings!

I trust this message finds you well and thriving in your academic pursuits. We write to inform you of an important update regarding the upcoming academic schedule.

As you may be aware, our esteemed institution has been selected as one of the centers to conduct the Central University Entrance Test (CUET). This is indeed a testament to the academic excellence and integrity that our school upholds.

In light of this significant responsibility, it has become necessary for us to make certain

adjustments to our calendar. Therefore, **15th May 2024, i.e., Wednesday will be an off** for students and the scheduled test for Grade 10 – Maths and Grade 12 – Chemistry/Political Science that was slated for **15th May 2024 will be postponed to 20th May 2024.**

We sincerely appreciate your understanding and cooperation in accommodating this change.

For any queries or concerns regarding this postponement, please feel free to reach out to the Class Teacher.

Thank you for your attention to this matter.

Warm Regards

**Meghna Chand
Principal**
