Saturday Exam Schedule: Grade 6-12

Dear Parent,

Warm Greetings!

This is to inform you that the school has initiated a series of weekly test cycle, which has been structured to bridge the gap in children's knowledge, build retention skills, and to incorporate the habit of writing in our students.

Guidelines for the Test

- The test will be held every Saturday. A schedule for the same has been attached with the circular.
- The students shall attempt the test on loose sheets (Assignment sheets/ A4 Size sheets).
- After the completion of a test cycle, the parents are requested to submit the answer sheets (subject wise stapled) of their ward at the school reception for the purpose of evaluation.
- The subject teachers shall then evaluate the answer sheets and share the result with the students.
- The test cycle is not mandatory for all the students. Only the ones willing can take the test.
- The score of the weekly test shall not be included in the term internal assessment.
- Each cycle will consist of 5-7 Saturdays, depending upon the number of subjects per class. Once the cycle is complete, the next test cycle shall resume after a break of one Saturday.

Kindly find the attached timetable for the weekly test at the end of the circular. We hope for the maximum participation of students.

Regards
Team RGS
