Dear Parents

Greetings !

This is to inform you that the Blossom Center has taken a magnificent initiative this Raksha Bandhan. The students with special needs have made rakhis that will be displayed in a stall and sold in the school on 29th August 2023, Tuesday. The cost for each rakhi will be between Rs 10-15 and the proceeds of the stall will be given to charity. So let us buy these rakhis which are made with sheer compassion and warmth by these young gems.

Looking forward to your cooperation.

Thank you

Warm Regards

Team RGS
