**RGS MUN -2022
GRADE -7 to 12**

Dear Parent,

A MUN is a simulation of an actual United Nations conference, where students are tasked with solving a global issue through research, drafting, lobbying, and debate to pass a suitable 'resolution'. Children delegates, representing different countries, will be required to research their allotted countries in-depth, analyzing and understanding their foreign policies and considering which factors would influence the behavior of the country at an international level. From preparing for the MUNs to the discussions, debates, and resolutions made during the MUN, the entire experience will serve to boost confidence. Children delegates will learn Diplomacy, or the art of negotiation, on how to conduct negotiations between two groups in a tactful and result-oriented manner.

It gives us immense pleasure to inform you that our school is organizing the 1st edition of Inter School MODEL UNITED NATIONS (RGSMUN) 2022 on the 17th and 18th of October 2022, in the school. We believe that developing leadership and efficient public speaking skills takes practice, and the RGSMUN provides an ideal platform for our students where they can explore and improve their capabilities.

In case your ward wants to take part in the deliberations and discussions, please contact the given contact:
