ANNUAL FEST 2024

(G 3 to 9 & 11)

Theme: KALPVRIKSHA-BUILDING INDIA THROUGH PARENTING & LEARNING

The most awaited event of the entire academic year is Annual Fest. You will be pleased to know that Raghav Global School will be celebrating its Annual Fest in the second week of December. In fact, the entire School will resound with manifold levels of new learning based on the "**Theme: Kalpavriksha - Building India Through Parenting & Learning- which, as we know, is a crying concern for all of humanity today.**"

Team work, confidence building and time management will get silently ingrained in the students at all levels, as the exercise proceeds. The entire process of an annual day, is thus a magnificent opportunity to discover and demonstrate the diverse talents of each participating child.

Pls note the following:

1. Practice sessions will be scheduled during school hours in the zero period. However, they may have to practice on weekends and sometimes after school and the same will be informed prior. Kindly cooperate to pick and drop your ward.
2. Teachers will provide all the help possible for completion of work. However, your ward is also advised to cope up with the work done in the class. The school will be grateful for your cooperation in this regard.
3. Whilst we strongly recommend that all children participate for the memorable experience and learning the occasion will provide, please note that participation is entirely voluntary.

Your support, as always, will help us conduct the Annual Fest in a befitting and memorable manner.

Regards

Meghna Chand
Principal
