CIRCULAR FOR PARENTS OF GRADE VIII TO XII

Subject : Use of Mobile Phones in School

Dear Parents/Guardians,

This is to inform you that **bringing mobile phones to school is strictly prohibited for all grades.**

If any student requires a phone for **commutation purpose**, only a **basic keypad phone** will be allowed. The keypad phone must be submitted at the gate at the beginning of the day and will be returned at dispersal.

In case a student needs to **book a ride**, they must use the keypad phone to contact their parents. The parents will then make the booking on their behalf.

Smartphones, iPhones, or any other internet-enabled devices are not permitted under any circumstances.

Parents are requested to ensure that their wards do not bring mobile phones to school. Any mobile phone found will be confiscated by the **School Authority** and will not be returned to the student nor parent under any circumstances, with immediate effect.

We seek your cooperation in maintaining discipline and adherence to the school rules.

Thank you for the support.

Warm Regards

Principal
