## **Selection of Co- Curricular Activities Grades 9 & 10**

Dear Parent,

At RGS, we believe it is extremely important to strike the right balance between Academics, Sports, Talents (Music/Dance/Art/sports/clubs).

We strongly propound each child is unique and filled with treasure of talents. Hence, we are providing these promising goals for them with their choices and your consent.

This will inspire our child to take interest in the chosen facility and perform better.

Please Note:

1. You are requested to have a conversation with your child and indicate the options under Clubs/ Arts/ Specialized Sports through the form.
2. The final allocation will be subjected to the maximum strength of the batch in that particular areas.
3. Last date for submission of your preference is 19-04-2024.

Sincerely

Meghna Chand  
Principal
